Golf Lessons are 1 hour sessions conducted at the driving range and putting green where the children are taught the basics of grip, stance and swing. Children without equipment are provided a golf club that has been sized to them and which they can keep at the end of the lessons at no charge; we run many contests and games in an attempt to make their first experience with golf a fun one!!

Golf Camp is 5 hours per day for 4 days; The format is a daily 9 hole scramble with golf instruction before and after. The average age for Golf Camp is 11 years old, with 80% of the group between 9 and 13. Most Golf Camp participants have some golf experience and equipment. For many this will be their first time playing on the course! We cover basic rules, etiquette and golf skills all while they are having fun!!
